Football Summary

During the 1930 football season, Coach Carl G. Harris turned out one of the greatest teams in the history of the school. It lost only one game throughout the season and won the City Championship for Roosevelt for the first time.

ROOSEVELT 0—FORT DODGE 0

Starting out a tough season by meeting one of the best teams in the state, Roosevelt's sturdy defense held the Fort Dodge team to a scoreless tie. A high-light of the first night game was when the Roughriders held the powerful Fort Dodge outfit for downs on the Roosevelt one foot line. Another feature of this game was the outstanding team-work and the team-play of the Roosevelt boys. It was this same team-play that carried the Roughriders to a championship latter in the season. For Fort Dodge, with the work of Lentz and Geyer, was outstanding while the work of Parker, Cunningham, and Boyd was flashy for the Roughriders.

ROOSEVELT 7—GRINNELL 0

In the second game of the season the Roughriders were victorious over the Little Pioneers from Grinnell by a 7 to 0 score in a night game played on the Ward field at Grinnell. The two teams played an even game during the first quarter with Roosevelt's defense functioning perfectly. In the second quarter, after two long runs, the Roughriders succeeded in making their first touchdown of the season. Brewer kicked the extra point from placement. During the last half of the game, neither team was able to score and when the final gun went off the score was 7 to 0 in favor of the Roosevelt Roughriders.

ROOSEVELT 0—PERRY 0

Although Perry and Roosevelt battled to a 0 to 0 tie in their annual game which was played at Perry, it was later forfeited to the Roughriders because of the ineligibility of a Perry player. This game was played under adverse field conditions, and as a result no spectacular plays were made. Both teams maintained a strong defense and did not attempt to use their offense to a great extent. A blocked punt by Si Parker gave the Roughriders an opportunity to score from the Perry 4 yard line but the Perry team held for downs, ending the game in a scoreless tie.

ROOSEVELT 8—LINCOLN 0

In their first game of the City Series the Roughriders were victorious over the Lincoln High team by a score of 8 to 0 in a game played at the Western League Ball Park. Roosevelt scored when Ullman, Roughrider center, broke through and blocked a kick of Myers, who was attempting to punt from behind his own goal line. Myers recovered the ball, thus giving Roosevelt a safety and two points. The touchdown was the result of a shoe-string pass from Smith to Maher, who ran the ball to within a few yards of the Railsplitter's goal line. Maher then carried the ball the remaining distance for the touchdown. Smith's pass to Grififfith for the extra point was knocked down.

ROOSEVELT 2—NORTH 0

In one of the most breath-taking games of the entire season the Roughriders defeated the North High Polar Bears by the margin of 2 to 0. The two points were made as the result of a punt blocked by Parker in the second quarter and downed by a North High man behind his own goal line.

Despite the fact that North High made ten first downs to the Roughriders' one, the strategy used by the Blue and White team was superior to the Polar Bears' offense. One of the features of the game was Gale Griffith's ability to place his punts well. Many times Griffith's long kicks pulled the Roosevelt team out of danger. In the last few minutes of the game the 6,600 spectators were brought to their feet when the North team carried the ball to the Roosevelt 6 yard line where the Roughriders held them for downs as the gun went off ending the game.

ROOSEVELT 6—BOONE 30

In their only defeat of the season, the Roughriders were downed at the hands of the strong Boone High team by a 30 to 6 score. The Roughriders held the heavy Boone Toreadors to a 6 to 6 tie during the first half but at the beginning of the second half, the weight and size of the Boone team wore down the defense of the Roughriders and Boone succeeded in putting across four more touchdowns, and failing to make any of their attempts for extra points during the game. The outstanding star of the game was Dettman, Boone left half-back, who made many long gains through the Roosevelt line including an eighty-yard run for a touchdown. Every man on the Roosevelt first squad played in the Boone game.

ROOSEVELT 6—EAST 6

In the most thrilling game of the season, the Roughriders held the East High team to a 6 to 6 tie and won the City Championship for the first time since 1926, when they were later forced to forfeit this title. Going on the field at the beginning of the game with the determination to bring home the championship, the Roughriders succeeded in tying the powerful East High team and clinching the city title. The feature of the game was the strong surprise offense maintained during the first half by the Roosevelt team. The Roughriders were the first to score, taking the ball in the second quarter from their own thirty yard line and marching down the field seventy yards for a touchdown. Brewer's kick from placement was low. In the second half East retaliated by making a touchdown but failing to kick the goal. East threatened in the last quarter when they carried the ball to the Roughriders' four-inch line but were held for downs by Harris' gridders who displayed one of the strongest defenses ever displayed by any local high school.

ROOSEVELT 13—NEWTON 7

The Roughriders downed the Newton High Cardinals in a hard fought game played at the Drake Stadium. Newton had a heavy line and a hard charging backfield which gave our "fightin' " line plenty of trouble. Bob Dwyer, who was playing his first game for Roosevelt turned in a creditable performance at his tackle post. Tommy Maher made both of the Roughriders' touchdowns and Miles went over the line for the lone Newton counter.

Football Lettermen

GALE (*Grif*) GRIFFITH, *June*, *'31*—Since his first appearance on the football field three years ago, Gale was a consistent player for the Blue and White. Playing at end, his punting ability stood out prominently in the North High game last fall. Gale always played a hard, fast game and was placed on the 1929 all-city team and the second 1930 selection besides receiving all-state honorable mention.

JAMES (*Big Jim*) BREWER, *Jan.*, *'31*—Brewer was active in football during his three years at Roosevelt. Jim was always outstanding for his long distance passing and punting. In 1929 he was named on the all-state team. "Big Jim" acted as co-captain during 1930 but on account of an injury to his knee, he was able to take part only in five games.

WILBUR (*Webb*) HURD, *June*, *'31*—Playing his first year as a member of the first team, "Webb" soon made a name for himself as a fighter who never quit. Alternating at right guard with Bill Thompson, Hurd did excellent work in every game he played.

WILLIAM (*Bill*) THOMPSON, *June*, *'32*—Starting the season at halfback, Bill was shifted into the line because of his weight and size. Although not a regular, Bill played enough quarters to win his monogram. Bill improved steadily during the season and should be a strong player in the line next year.

JACK (*Nancy*) ULLMAN, *Jan.*, *'32*—Roosevelt has always had good centers and Jack more than up-held the reputation this year. Selected by sport writers as all-city center and receiving honorable mention on the all-state team, Ullman was a good passer-back and had the knack of breaking through the line and throwing the opposing runners for a loss. Ullman has the possibilities of an all-state player for next year.

EBERLE (*Chicken*) THORNTON, *Jan.*, *'31*—Selected on the all-city team and making the fourth all-state team at a guard post, Thornton was a big cog in our powerful line. Eb very seldom missed his man.

KENNETH (*Niger*) CUNNINGHAM, *June*, *'31*—Being all-city tackle and co-captain of the team, Kenny was a tower of strength in the line. Playing head-up football, Cunningham was an excellent defense player and was noted for his good sportsmanship.

DICK (*Dovis*) BARNES, *Jan.*, *'32*—Alternating at full and halfback, "Dovis" was especially adapted to finding holes in the opposition's forward wall. Dick was a good open field runner and much is to be expected of him next year.

BOB (*Bashful*) BOYD, *Jan.*, *'32*—Bob, who was responsible for most of the long games was an excellent ground-gainer. Though Bob was a little inexperienced at first, he capably developed into an outstanding player. Bob has one year more and should prove a valuable man to the 1931 team.

GEORGE (*Tan Tan*) TANNER, *Jan.*, *'31*—One of the fastest men on the squad, Tanner was responsible for more than one Roosevelt game. Although light, George had power enough to gain the ground. This is George's first year on the team and he very ably held up his position. Tanner was placed on the second all-city team.

RALPH (*Si*) PARKER, *Jan.*, *'32*—Si was one of the best ends in the state, and was placed on the Register's all-city team and on the second all-state team. Si was equally good on offense and defense and did his share of pass receiving. Si will be back with the team next year and should easily be one of the best ends of the state.

FRANK (*Smitty*) SMITH, *Jan.*, *'31*—Starting the season without any intention to play quarterback, "Smitty" developed into one of the best quarter backs in the city. His head work and passing were responsible for more than one of Roosevelts victories.

VALE (*Monty*) MONTGOMERY, *Jan.*, *'31*—Vale being the lightest man on the team, weighing only 118 was handicapped by his weight but this did not keep Monty from playing good football. This was Monty's third year out for football and he finished his career very creditably.

TOM (*Tommy*) MAHER, *June*, *'32*—Tom was responsible for a majority of Roosevelt's touchdowns. Maher was high point man for the Roosevelt scorers and ranked high among the city's leading scorers. He played half and should be a valuable man next year.

BOB (*Issy*) DWYER, *June*, *'31*—Although Bob did not play steadily, his work would have made him a useful man at any high school. Playing at tackle, Bob was always in on every play and was a reliable understudy for Cunningham.

Second Team Football

The Roosevelt second team closed its most successful season in November 1930 by winning the City Championship and being undefeated for the entire season. Much of the success is due Coach Rump who spent evening after evening working with the boys and developing a squad of "green" and inexperienced men into a well balanced team.

Roosevelt 13—Johnston Station 7

Roosevelt 27—Valley Junction 0

Roosevelt 19—East 0

Roosevelt 35—Valley Junction 0

Roosevelt 23—Lincoln 0

Roosevelt 14—North High 13

Roosevelt 7—East High 0

Second Team Basketball

The second team in basketball continued its success of other years by winning the city championship. The team won every game it played, and usually by large scores. Frank Sloan and Bob Dwyer served as captains throughout the season.

LINCOLN

Lincoln, in the first game of the season, was defeated 28 to 13. Fink and Sloan made most of Roosevelt's points. Ford made the first two baskets of the game. Coach Harris used every player of the squad.

EAST

In one of the closest games of the season, the Blue and White eked out a 17 to 13 victory. The team showed more power than against Lincoln, and consequently, showed a marked improvement.

NORTH

North was defeated 16 to 11 in the third game of the season. Only 8 men were used during the game by Coach Harris. Dwyer gave a good guard exhibition, and the basketshooting of Fink kept the Roughriders in the running.

GRINNELL

In a curtain raiser to the regular game, the Grinnell second team was defeated in a mediocre game. Roosevelt held a big lead at half time but it was gradually whittled down and the final score ended at 22 to 14.

VALLEY JUNCTION

Valley Junction furnished the opposition in the fifth game, and was defeated in a somewhat lopsided game 42 to 14. Roosevelt made the first basket and was never behind thereafter.

LINCOLN

The second Lincoln game was played on the home court, and the Railsplitters went home with a 16 to 13 defeat marked up against them. This was the largest score made by the team during the season, and displayed plenty of power in making it

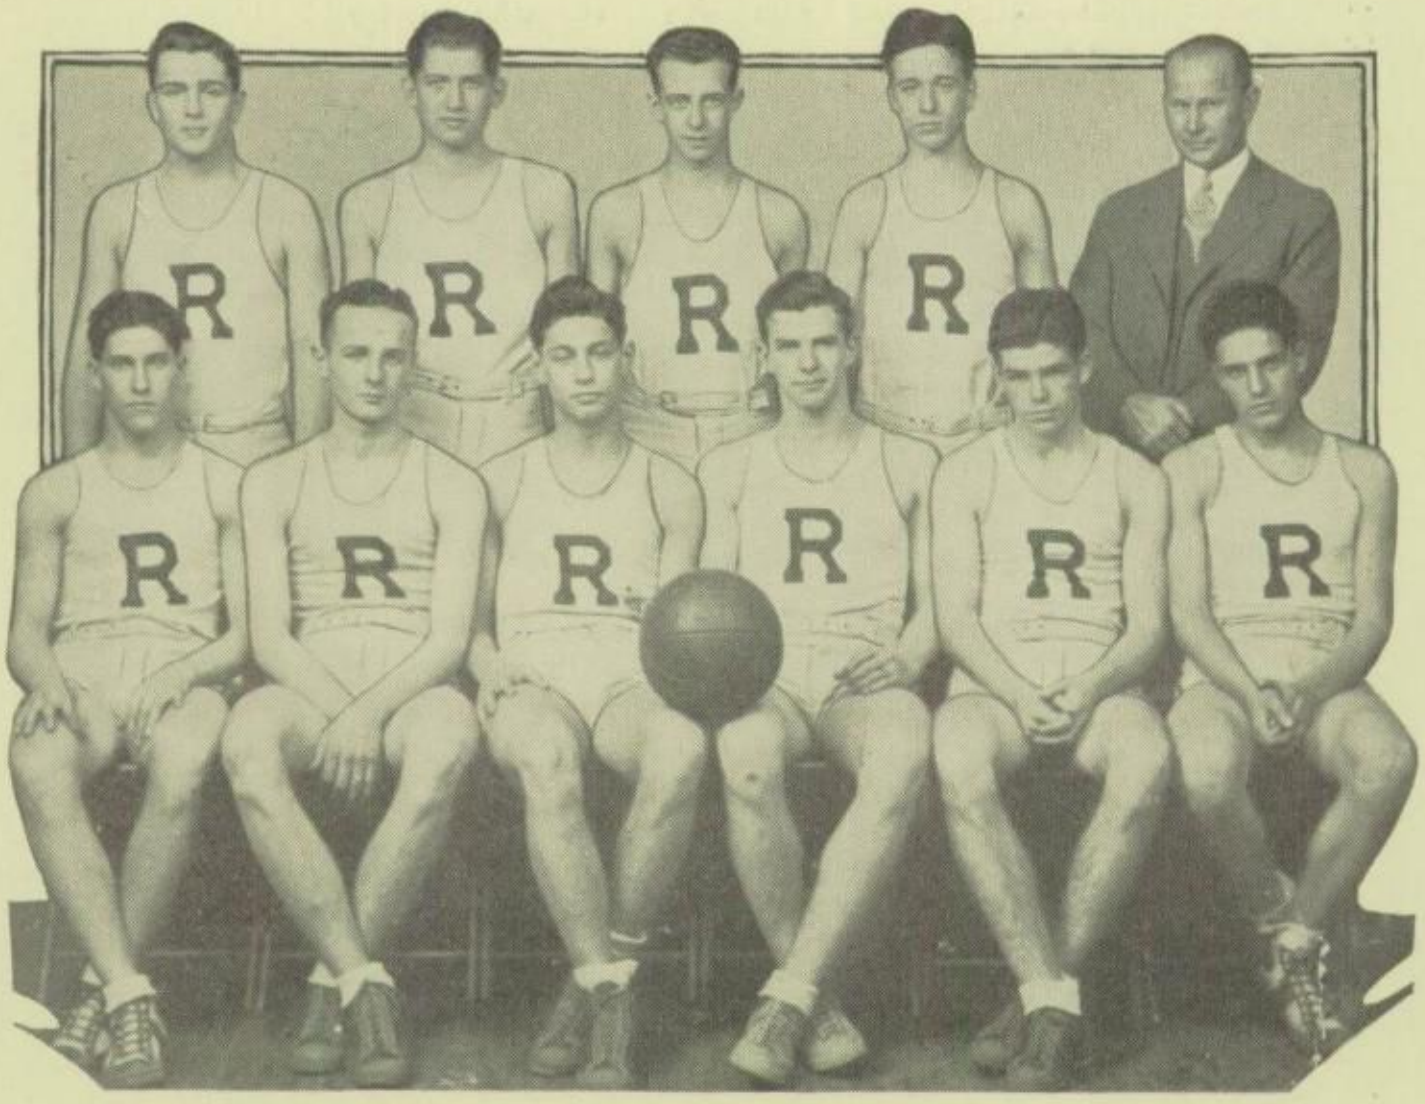
EAST

This game was played on the east-sider's court, and the team functioned to perfection. Fink and Fletcher piled up 17 of the Roosevelt's score. Coach Harris left his first team in during the first three quarters, and the substitutes managed to keep the scoring equal on both sides during the remainder of the game. The score was 27 to 17.

NORTH

The final game of the season was played with North, and incidentally, was the closest. The Roughriders built up an early lead, and safe guarded it throughout the second half. The gun ended the playing with the score at 21 to 19, with the Polar Bears just short of their goal. The team was without the services of Fink and Sloan who were promoted to the first team.

The members of the team who played during the season were: Forwards, Fink, Fletcher, Ford, Brammer, Lyons, Barlass; Centers, Sloan, Disosway, Kendall, Nelson; Guards, Royal, Dwyer, Lange, McLaughlin, Hughes, Moore, Brown.



SECTIONAL TOURNAMENT

Playing North High for the third time this season the Roughriders came out ahead by a 27 to 16 score. The subs played the entire fourth quarter. Eubanks and Sopher starred from their guard posts.

The Valley Junction team gave the Roosevelt fans a scare in the Sectional finals when they were leading by 10 points at the half and held a 23 to 22 lead during the middle of the third session. Roosevelt's passing attack started working at this point and at the end of the game we were the Sectional Champs for the fourth consecutive year.

DISTRICT TOURNAMENT

Adel also put a halt in the heart-beats of Roosevelt rooters by leading their cagers until the final minutes of th!egame but again the boys hit their stride in the waning minutes of the game to gain a 25 to 17 verdict.

Roosevelt men made short work of the Marshalltown Bobcats in the final District fray and handed them their first defeat of the year in a fast 38 to 27 game. Parker and McMichael led the attack with 9 points apiece.

STATE FINALS

Mallard was the Roosevelt first opponent in the State Finals played at the Drake Fieldhouse and proved little opposition. The reserves played about half the encounter and put the finishing touches to a 29 to 20 victory.

Council Bluffs 23 game winning streak was abruptly halted by fast passing and they bowed in a 32 to 20 defeat. Again the reserves saw their share of action since the regulars were rested for the semi-finals game with Boone.

Boone proved a stumbling block for our team and they put us out of the running for the State Championship by winning a 16 to 15 victory after one of the hardest fought and closest guarding games ever seen on the Drake court.

Coming back on the floor in the evening after their semi-final tilt the Roughriders looked like a different team and "walloped" the Gilman squad 43 to 23.

This closed a very successful season for the Roughriders who won 19 out of 22 games and the State Consolation Title. Our passing attack was rated as the best in the state and since a majority of the squad are underclassmen much is to be expected of them in the next few years.

The Roosevelt Roughriders closed their 1930-31 basketball season by winning the State Consolation Title after having one of the most successful cage years in the history of the school.

During the regular schedule the Blue and White basketeers won 12 out of 14 games from some of the strongest teams in the state and then entering the State Tournament, rated only the smallest chance of advancing, the team fought its way to the semi-final round. Boone's Championship team put the Roosevelt boys out of the running, winning by a one point margin after one of the hardest fought games ever played on the Drake floor.

REGULAR SEASON

In the first game of the 1930-31 season, Roosevelt overcame an 8 to 5 lead which the Ames cagers held at the half, to win by 21 to 13 count. Parker led the Roughriders by scoring with five baskets.

The Roughriders journeyed to Osceola for their second game and were again victorious. Using a tight defense and a fast breaking offense, the Roughriders won a 26 to 10 victory.

Playing their first home game the Blue and White cagers hit the hoop from all angles to defeat Perry 39 to 15. Coach Harris used seventeen players during the contest.

The Roughriders won their fourth game of the season by defeating the Valley Junction cagers on their floor. The score was 35 to 24. Smith lead Roosevelt's scoring with 11 points.

In our first City Series game the Roughriders defeated Lincoln to the score of 36 to 16. The game was played on the Lincoln floor before a large crowd. Parker was high point man with 21 points.

Scoring only one basket during the entire game, Roosevelt suffered its first defeat of the year at the hands of the Chariton cagers on the Chariton floor with a 19 to 7 score.

An early lead and strong defense during the last half enabled the Roughriders to capture their second City Series contest from the East team 20 to 19 on our floor.

After trailing for the first three quarters, two baskets in the closing few minutes and another in the overtime period by Marcellus McMichael enabled the Roughriders to eke out a 21 to 19 victory over the North High Polar Bears and thereby remain undefeated in City Series competition. Smith and McMichael were the bright spots in our offense.

With Captain Frank Smith and Jimmy Brewer playing their last game for Roosevelt the Roughriders ran roughshod over the Little Pioneers from Grinnell, to win by a 39 to 22 count.

Gaining the lead in the opening minutes, the Roughriders won from the fast passing Webster City team in our gym before a capacity crowd and defeated them 34 to 25. McMichael counted 18 points for the Blue and White cagers.

Displaying a defense that held the Railsplitters to five baskets while Parker, Barnes, and McMichael were hitting the hoop from all corners enabled the Roughriders to win their fourth consecutive City Series tilt 30 to 17. The contest was played before a small crowd on the Roosevelt floor.

Failure to make free-throws caused Roosevelt's first defeat in the City Series. East High's charity tosses gave them the edge in a 31 to 28 victory on the Lee Township floor.

The Roughriders won an easy 50 to 17 victory over the Osceola cagers. Captain "Si" Parker scored 19 of Roosevelt's points.

In a close-guarding game in which 24 personal fouls were committed and three players were removed from the game, Roosevelt's last half rally spelled defeat for the North High team in a 25 to 20 game. The largest crowd ever in the Roosevelt gym saw the game.

Basketball Individual Write-ups

SI PARKER—Playing his third year as a resular, Si was the outstanding forward of the city. He had an uncanny eye for the basket and passed with a great degree of accuracy. Playing at his forward post, he could be depended upon to swish at least three or four of his shots through the net during every game. Si will be lost by graduation next January and his going will be a serious blow to the team.

DICK BARNES—Dick won a position on the Roosevelt "varsity" for the first time this season and he paired with Parker at the other forward position during most of the season. Barnes' specialty was dribble-in shots and it was very rarely that he failed to make the basket on these attempts. He also had a good eye for the basket on his long shots and consequently was one of the high point men of the team. Dick graduates in January, 1932, having one more semester of competition left.

MARCELLUS McMICHAEL—Mike broke into the regular line-up at mid-season replacing Captain Frank Smith who was graduated. Being only a freshman student McMichael was the most talked of player in the state and his play during the State Tournament won him a position on the all-state team. Mike, who was the tallest member of the squad, was adept at throwing the ball from all angles. His passing also was of the highest calibre. Much is to be expected of Mike during the next three years of competition and no doubt he will develop into an outstanding cage performer.

LOUIE EUBANKS—Eubanks started the season as a sub but his fine floor play and passing soon won him a position on the first team. Louie's pet trick was to take the ball away from the opposing dribbler and very seldom was a player able to dribble past or around him. Eubanks has one whole year of basketball competition left, graduating in June, 1932.

BILL SOPHER—Sopher was handicapped by sickness during the first semester and consequently was unable to play in several of the games but his guarding was one of the high spots of the Roosevelt defense. Bill played his best basketball during the State Tourney and was placed on the first all-tourney team at a guard position. Bill leaves in June and is the only senior on the squad.

JAY FINK—During the regular Jr. Varsity season Fink was forward and was the leading scorer in the City Championship. When the State Tournament opened Fink was drafted to the squad and alternated with Barnes at forward throughout the entire tourney. Jay was a 'dead' shot from far out on the floor and counted many points for the Blue and White cagers. Fink has three more semesters to represent the Roosevelt cagers.

FRANK SLOAN—Sloan was also a member of the Jr. Varsity team and the Tournament squad. Frank proved a valuable substitute and managed to play in most of the games. Frank will be graduated in June, 1932, and should be a big dog in our offense next year.

WAYNE NOWLIN—Wayne was a first team sub throughout the season and saw service in a majority of the games either at guard or at center. Although not the tallest member of the squad, he could control the tip-off against most centers. His passing was of the highest calibre. Nowlin has three more semesters at Roosevelt and should be a valuable player before he is graduated.

JACK ULLMAN—Jack took up basketball for the first time this year and proved to be an excellent guard. During the latter part of the season Ullman was converted into a center and developed into a good understudy for McMichael. Ullman dons the cap and gown next January but his last semester of basketball should be a big one.

JIMMIE MILLER—Miller was another freshman student to make the varsity squad. Jimmie was tall and lanky and gave a good account of himself whenever he was in the game. Miller has three full years of competition ahead of him and by the time he is graduated, will probably be one of the city's outstanding guards.

Swimming

Roosevelt had an undefeated swimming team again this year. The first and hardest meet of the year was with Boone where Roosevelt barely nosed them out after they had won both of the relays. In the City Series the Blue and White team defeated Lincoln, East and North, all by top-heavy scores. At Newton they won an easy duel meet victory.

During the second round of the City Series the boys from Roosevelt outsplashed North and East and won a forfeited meet from Lincoln. In the City Championship Meet, the final event of the school swimming season, the Roughrider paddlers scored more points than all the other schools together.

The swimming team has been undefeated in duel competition for the last four years and has held the City Title the same length of time.

DWIGHT BOVEY, *June '33*—Bovey swam the 40 yard dash and was the fastest man in the city. Dwight won many points for the blue and white and should develop into a excellent swimmer during his next two years on the team.

DWIGHT CONKLING, *June '32*—Dwight swam on our 160 yard relay team and was instrumental in making the Roosevelt relay team the fastest in the city.

JOHN CLIFT, *June '32*—Johnnie was one of the lettermen from last year and won many points for the Roughriders, both as a diver and a free-style swimmer.

BEN POLK, *June '33*—Ben made good time in the 40 and was a member of the 160 yard relay team. He has two more years of competition.

FRED MOORE, *June '32*—Fred did good work at the 40 during the first of the year. He placed in the city meet in the breast-stroke.

HERBERT UNGLES, *June '32*—Although ineligible for the first semester, Herbie came out during the latter part of the season and developed into a first-class diver.

WALTER WISE, *June '32*—Wise showed more improvement during the season than any man on the team and was classed as one of the best divers in the city. Much is expected of Walter next year.

HOMER BRADSHAW, *June '33*—Bradshaw swam both the 100 yard free-style and backstroke and was a member of the medley relay team.

JACK POLK, *January '32*—Polk was a back-stroker of ability and although handicapped by sickness turned in a creditable performance in all meets.

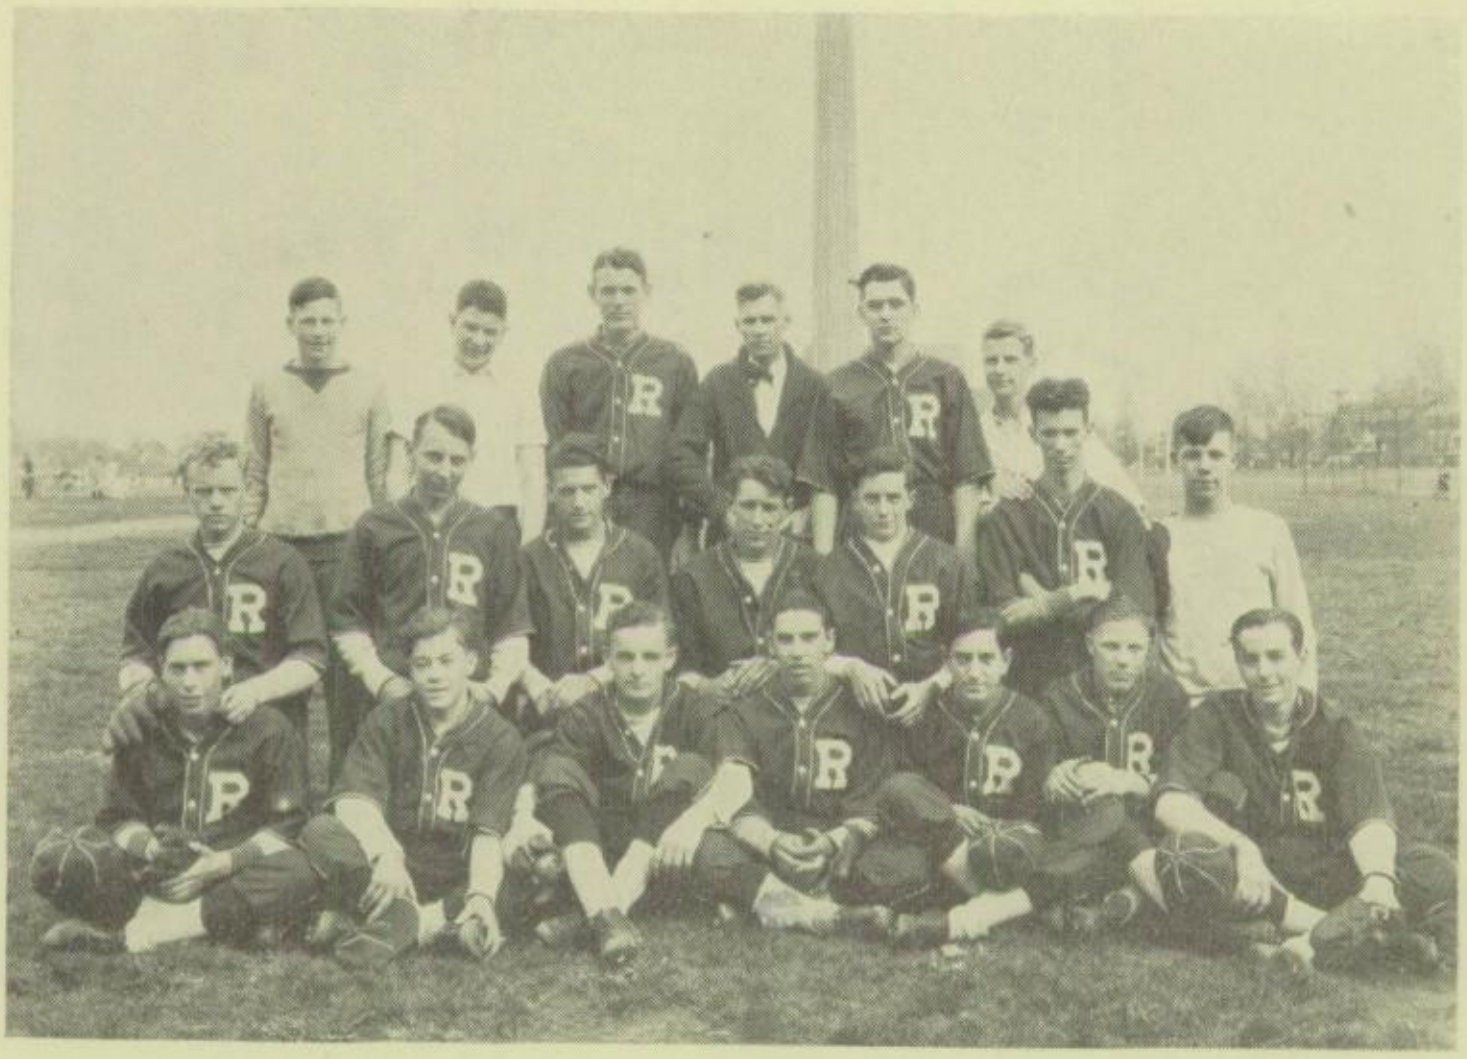
RICHARD MURPHY, *June '31*—"Fish" was captain of the team and was the outstanding free-style swimmer in the city. His specialty was the 220 and he met defeat only once during the entire season.

BOB RIVERS, *June '31*—Although not able to swim during the latter part of the season because of sickness, Rivers was awarded a letter because of his splendid work on our relay team.

NATE STRAWN, *June '32*—Nate did good work all year in the 100 yard free-style and was a member of the medley relay team.

FRED HASKINS, *June '33*—Freddie, who is a brother of a past Roosevelt captain, was one of the most consistant point winners for the Blue and White. Haskins should be a valuable man before he dons the cap and gown.

JOHN HARVEY, *June '31*—John was the fastest breastroker in the city and lowered the city record during the last meet of the season.



Baseball

For the first time in the history of the school Roosevelt was represented on the baseball diamond. Mr. Blount, assisted by Mr. Schlampp, guided the Roughriders to a very successful season considering all of our players were "green" and inexperienced.

PAUL ARTIS, *June '32*—Paulie handled the catching duties of the team to perfection throughout the season. Although the smallest member of the team, Artis was an excellent man at the catching position.

SNYDER ALT, *January '32*—Alt was first string pitcher and was feared by all batters he faced. Snyder's two pet throws were his fast ball and a "out curve" which the best of batters could not hit.

CHUCK SILIO, *June '33*—Silio was the outstanding player on the team and no doubt the best shortstop in the city. Chuck was also a consistent hitter.

BOB JAYNES, *June '32*—Starting the season as a sub, Jaynes showed an ability to reach for high balls and this soon won him the regular position at first base. Bob was also a good hitter and a good judge of fly balls.

LESTER TROUTMAN, *Jan. '32*—Troutman's knack of picking up ground balls and his fast throw to first base gave him an edge over all players at second base. 'Les' started the season at short but was moved over to second to fill the gap there.

KEITH NICHOLS, *June '31*—Although a very weak hitter during the early games, Nichols gradually developed into one of the best hitters on the team. He played at third base and had a fast throw to first.

TOM PARIS, *June '31*—Very speedy, and a good judge of fly balls, Tommy held down the right field position. Paris batted cross-handed but managed to hit often.

BOB BRANDENBURG, *June '31*—Bob played centerfield and was a sure judge of fly balls, also having an excellent throw to the infield. "Brandy" was one of the hardest hitters on the team.

FRANK BARCUS, *June '31*—Frank played left field all season and was a great fighter. Barcus, although not a long hitter, managed to place his hits well and was a sure judge of fly balls.

GENE GIBBS, *June '31*—"Red", as he is called by his team-mates, is a left-handed pitcher with plenty of curves on the ball, he is also a fair hitter.

JACK ULLMAN, *Jan. '32*—A very good catcher and hitter; he divided the catching job with Artis. Big and husky, Ullman was a long distance hitter.

Track

Since a majority of the lettermen from last year's City Championship track squad were graduated, Coach Harris was confronted with the task of developing virtually a new team to represent Roosevelt on the cinder path. Bob Bair, Gale Griffith, Harrison Riepe and Bob Davis were the only lettermen to return.

High-lights of the season were when Bob Bair finished second to Wordon of North in the Drake Relays and the showing made by our 440 and 880 relay teams in all the meets they took part in. Members of the team were D. Conklin, Harvey, Barnes and Bair.

Many under-classmen showed promise of developing into outstanding runners during the next few years. Among these boys are Bovey, Fink, Bair, Sloan, Corbin, Coons, D. Conklin, F. Conklin, M. Conklin, Nowlin, Lyons, Hyderbaugh and Harper.

Golf Team

With Mr. Schlampp as coach, the golf team again came through the season undefeated.

Roosevelt won the city meet that was held in the fall. Every man on the team scored some points in this tournament. Each school entered sixteen men and the eight high scores were taken.

In the spring season, the team won two dual meets. They downed Lincoln 21½ to 2½ and East 20½ to 3½.

The first team members for the spring season were: Miller, Davis, McMichael and Swartz. This same combination will be back for next year.

The second team was composed of: Bookey, Erickson, Bates, Brammer and Hunsicker. Erickson will be the only one lost to the second team.

GIRLS' GOLF

The girls' golf team with Miss Tillmont as coach won the city title in the fall. Eight girls played in this and each one scored some points. The first team in the fall semester was composed of: Jennet Jones, Margaret Olson, Dorothy Banford and Jane Woehler. In the spring semester Mary Carney and Elizabeth Kelly took the place of Jennet Jones and Margaret Olson who were graduated in January.

Review of the Tennis Season

Because of the departure of Mr. Nelson to another school, Mr. Irwin became the tennis adviser for the year 1930-31. The team composed of four boys and four girls entered the city meet in the fall, and Dorothy Day walked off with the girls' singles, bringing the only title to Roosevelt. The boys' team entered the state meet in the fall, sponsored by Roosevelt, but were unsuccessful, for they won only one match.

The spring tennis season opened with a match with Iowa City, April 25, at Roosevelt, and the result was a tie, with three victories apiece. The regular round-robin tournament was held among the high schools of the city, as in former years. The state meet held in the spring was sponsored by Roosevelt, and this event, held May 16, closed the tennis season at Roosevelt.

The members of the squad include:

Boys: Eugene Middlebrook, Jonathan Fletcher, Murray Nelson, Carroll Willis, Dick Dildine, Tom Dildine, Franklin Oransky, Jack Kendall, Vernon Marquardt, and Lisle Payne.

Girls: Dorothy Day, Betty Butler, Elizabeth Carpenter, Lucille Day, Jean March, Dorothy Yaggy, Dorothy Oppenham, and Nettie Oppenham.

PERSONALITY PLUS

The curling iron was getting hot
While Garfield Maynard ate,
He crammed his food in great big lots,—
Afraid that he'd be late.
He rushed upstairs and tied his tie,—
He straightened it,—just then
He picked up the iron from its lie
And was as mad as a wet hen.
The cause, well, I'll tell you,—
It won't do any harm,—
The curling iron wasn't hot;
The thing was only warm!
Then Garfield's personality
Was dealt a severe blow;
'Cause when his hair isn't curled
He's not so hot, you know.

TO JANE WOEHLER

There was a young lady called Jane,
Who was caught one day in the rain;
Along came a fella
With a roomy umbrella,
And now Jane is safe from the rain.

A Senior is a stuck up guy
Who walks the halls with a step so spry.
But wait till college before him looms,
He'll change his whistle to another tune.

TO GARFIELD

A fellow named Maynard once tried,
To make hens lay eggs that were fried.
He had lots of hope,
And mixed up some dope;
When it failed, he grew angry and cried.

TO KARL

Here lies the bory of F. Karl Signs,
He was buried here under the pines.
He fell off the deck
In a motor boat wreck,
And was pulled in on a fisherman's lines.

MODERN MOTHER GOOSE RHYMES

Oh, fleecy lamb that Mary had,
Unknowingly, you've made me sad;
When teacher asks for a rhyme or verse
We write of you in lines so terse.

Now, lambie, dear, I wish instead
We'd let you alone to be quite dead;
Allow your weary bones to rest;
For all concerned 'twould be the best.

Mary, Mary, quite contrary,,
How do your flirtations go?
For always you speak
To each village sheik,
Or to parties with them do you go.

Little Jack Horner
Was put in a corner
For chewing a big stick of gum.
His anger was rare;
He said, "It ain't fair
For me to stay here. Oh, hum!"

Little Miss Muffet sat in the corner,
Reading her "Roundup," they say;
Along came a teacher,
Her look did beseech her,
To put her "Roundup" away.

Little Miss Muffet sat on a tuffet
With nary a thing to do,
Along came her teacher,—
(That hard-hearted creature)
Now she's Latin and French and History to do.

Mary had a little lamb;
One day she clipped its tresses,
And found she had sufficient wool
For fifteen modern dresses.

Old King Cole was a merry old soul,
And a merry old soul was he.
He called for his "Lucky" and he called for his lighter,
And he called for his jazz bands three.

Jane H.: Well, Bob, having taken English, what do you think of O. Henry?

Kenneth A.: O. K., but the nuts stick in my teeth.

A GIRL'S ESSAY ON BOYS

Boys are men that are not as big as their papas, and girls are women that will be ladies by and by. Man was made before woman. When God looked at Adam He said to Himself, "Well, I think I can do better if I try again." So he made Eve. God liked Eve so much better than Adam that there have been more women than men.

Boys are a trouble. They wear out everything but soap. If I had my way half the world would be girls and the rest dolls. My papa is so nice that I think he must have been a little girl when he was a little boy.

Man was made, and on the seventh day he rested. Woman was made, and she has rested ever since.—*Ex.*

IF—

If you've never chewed gum in class,
Or whispererd aloud in school;—
If you've always arrived on time.
And never broke any rule;—
If you've never flunked a history test,
Or gone to a basketball game;
If the team wins or loses,
To you it is all the same,
If you've never run to lunch,
Or thrown papers on the floor;
If you've never talked in assembly,
Or with your foot opened the door;
If you've never come unprepared,
Or gotten a bawlin' out;
If you've never lost your locker key,
And at a football game couldn't shout;
Then my friend we've never met,
And if we do, don't speak;
For if you want my opinion,
You certainly are a freak.

—*Helen Brayton.*

Who always had with him a book.
It was filled with the names
Of various games,
Which he played when no one could look.

Dear "Deb":

When I describe it to you, you won't believe me -- but just wait -- you will be astounded. Italian Guide: And this is Mt. Vesuvius. You have nothing like that in America.

George Brown: Ever been surrounded by wolves?

Tom Glass: No, but I know the sensation. I used to open the dining-room doors at the cafeteria.

Clark: What do you mean spiritual?

Myron: Well, there's not much material about it.

"Well," said the surgeon as he sharpened his knife, "I've got to open my male."

PLEASING SOLOMON

King Solomon had occupied the royal box on the opening night of the musical comedy, and naturally the producer was anxious for his approbation.

"What did you think of the chorus, your Majesty?" he asked, nervously.

"Great!" ejaculated the potentate. "I'd like to date up the first three rows some evening."

"That's a chip off the old block," said a visitor in Chicago when a bullet grazed his head.

Big Boss (angry at having been kept waiting at the station): So you had difficulty in finding me, eh? Didn't your sales manager describe me?

Chauffeur: Yes sir; but there are so many bald-headed gentlemen with red noses.

Actea Young: Oh, I just hit my crazy bone.

Caroline Claiborne: That's too bad. Let me hold my hand on your head.

Clever Student (French Class): Hey, Johnnie, write your notes in French so the teacher can't read them.

And everywhere that Mary went,
The lamb was sure to go.

Then Dame Fashion changed the styles,
Now the little lamb is sleek,

REGRET

"I'm through," you said to me last night.
Perhaps I should have known it,
That you were tired. And I was, too.
Though I had never shown it.

You said a lot of nasty things,
Somehow, I think you'll rue it;
What really aggreates me most
Is that you beat me to it!

Habit gets a fellow. Many a father who worked his way through college is now working his boy's way through.

A Negro parson held forth one Sunday with a fine sermon and he was sympathetically received by the entire congregation. He was about to close.

"Bruddus and sisters, Ah wants to warn yo' against de heinous crime of stealin' watermelions."

At this point an old Negro rose, snapped his fingers and started out.

"Whatfo', brudder, does yo' rise up an' snap yo' fingers when Ah speak of watermelion stealin'?"

"Yo' jes' reminds me, pahson, whah Ah done lef' my knife."—*Exchange.*

"You naughty, cruel boy," said the fashionably dressed young woman to a boy she found despoiling a bird's nest. "How can you be so heartless as to take those eggs? Think of the poor mother bird when she comes back and—"

"That's all right, miss," interrupted the boy. "The bird is dead."

The young woman's expression reflected disbelief. "How do you know?" she asked sharply.

"She's on your hat," was the reply.

"Where there's a will, there's a relative."

Doctor: Have you been anywhere else?

Patient: I went to see the dentist in our village.

Doctor: And what idiotic advice did he give you?

Patient: He told me to come and see you, sir.

"What made you quarrel with Clyde?"

"He proposed to me again last night."

"Where was the harm in that?"

"My dear, I had accepted him the night before."

It's surprising how much a woman can say about herself without telling anything.

For patrician distinction in motoring, the sixteen-cylinder CADILLAC ranks alone among fine cars. At any speed, it travels so easily as to seem to drift under its own momentum.

Some go east . . . some go north . . . and some go west . . . and some stay at home.

But where ever modern youth goes in its quest for pleasure . . . Younkers is the starting point for smartness and economy.

It's a wise girl who early learns what an important part these Younker Shops play when she wants to look her best.

. . . . . Saving

Pays in Many Ways

Money deposited in your savings account will probably pay you the biggest return of any money you spend.

It will pay you in the sense of security you feel when there's cash on hand for emergency . . . in the satisfaction of "getting ahead" and "keeping ahead." . . .

. . . in self-confidence—the knowledge that you can live within your income and save a portion of it.

Moreover, you can count on cash as one of your safest investments, paying 3½%, always worth full value and ready for use at a moment's notice.

Plan to keep a good share of your surplus in cash—for safety's sake. Save at the Bank that has served Iowa's citizens faithfully in all financial matters for over 50 years.
